Sylvaine Dufaux - director of photography

Sylvaine shared DOP duties with Mark on Jeanne Cr peau's *La Fille de Montr al*. She's done local independents and big American blockbusters: she just finished operating the A camera on the latest Star Wars movie, *Solo*.

Marc Leclair - composer

Known as Akufen or Horror Inc., Marc composed the music for Mark's last short, Before I go. His personal album My Way (2002) put the Montreal electronic music scene on the world map.

Gunnar Hansen - vfx supervisor

Not only is he world-class in his work (a Captain America and a Bond film), but he is also an aficionado of low-tech artsie Melies-style solutions to VFX problems: the short 8mm in-camera no-editing film science fiction film he made with his brother Meinert made it all the way to Cannes

<http://www.imdb.com/name/nm0360816/>

Meinert Hansen - concept artist

Meinert worked on Arrival, 300, Upside Down, and The Spiderwick Chronicles. He can do all flavours of futurism, from steampunk to minimal abstract. His online portfolio is [here](#)
